FOR YOUTH!**

SATURDAY 10.12.

WORKSHOPS' PROGRAM

Franz-Mehring-Platz 1 – 10243 Berlin

SATURDAY 10:00-12:30 WITH FEDERICO

**HOW TO... CREATE A MONITORING STRATEGY:
FORMULATING THE PROPER MONITORING
QUESTION WITH YOUR YOUTH GROUP**

A fundamental step in solidifying the foundations on which a monitoring community is built is the definition of THE question that you want to address to public institutions or bodies. However, how should a question be properly formulated in order to effectively achieve its objectives?

This workshop will focus on this topic to collectively understand what is and what is not a 'good question' with your group of youth.

SATURDAY 10:00-12:30 WITH MARIA

**HOW TO...ENCOURAGE NON-VERBAL
COMMUNICATION IN POWER GAME**

Within this workshop we will experience personal decision-making process when it comes to the use of power. The method can be customized to different contexts and age groups. Board games lovers will discover another side of a popular game!

SATURDAY 10:00-12:30 WITH GABRIELE

**HOW TO...INTRODUCE THE TOPIC OF SOCIAL
ANTI-MAFIA IN CLASSES OF ITALIAN AS FOREIGN
LANGUAGE: NEW TEACHING MATERIALS**

In teaching Italian language in a foreign country, it is often difficult to talk about mafias and social anti-mafia practices: these are rare topics in current teaching manuals. The idea behind this workshop is, through non-formal didactic activities, to dismantle stereotypes through positive examples combined with easy use during courses.

SATURDAY 14:00-16:30 WITH ELISA

**HOW TO...EXPERIENCE POWER AND SOLVE
ETHICAL DILEMMA: THEATRICAL APPROACH**

Through a collective theatrical session, participants of this workshop can reflect on their own perception of power and the relationship with it. They can experience that power is a responsibility, which can turn into something insidious or constructive for the community, and face complex decision-making contexts which require a choice, playing an ethical dilemma activity.

SATURDAY 14:00-16:30 WITH MARCO

**HOW TO...DEVELOP A COMMUNITY
PROJECT FOR YOUTH.**

With this workshop we would like to present the work of Europe Hub concerning the development of a common strategy for the social reuse of confiscated assets in Europe. We want to share our results with participants and give time for sharing ideas and experiences about how to overcome the obstacles and how to take advantage of the opportunities to create new perspectives for young people through projects of social entrepreneurship.
